Call for Participation

We invite you to join us in International Conference on Software Engineering and Automation (SEAU 2022)

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Software Engineering and Automation. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on understanding Modern software engineering concepts and establishing new collaborations in these areas.

Highlights of SEAU 2022 include:

- 13th International conference on Database Management Systems (DMS 2022)
- 9th International Conference on Foundations of Computer Science & Technology (CST 2022)
- 3rd International Conference on Cloud and Big Data (CLBD 2022)
- 3rd International Conference on VLSI & Embedded Systems (VLSIE 2022)
- 3rd International Conference on Networks & IOT (NeTiIoT 2022)
- International Conference on NLP and Machine Learning Trends (NLMLT 2022)
- 11th International Conference on Information Technology Convergence and Services (ITCS 2022)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

10,000 INR (With proceedings)
